PROFESSONAL SUMMARY

Final-year B.Tech Computer Science student with a strong passion for web development and Python programming. Experienced in developing robust web applications using modern frameworks like React and React Native. Proven ability to work collaboratively in team environments and deliver high-quality projects. Seeking opportunities to apply technical skills and contribute to innovative development projects.

EDUCATION

Bachelor of Technology (Computer Science and Engineering)
Saintgits College of Engineering, Kottayam

September 2021 - May 2025
CGPA 7.9/10 (till semester 6 of 8)

Class 12th - CBSE
S.N Central School, Mavelikara

June 2019 - March 2020
Percentage - 90%

SKILLS

Programming Languages: Python, JavaScript, C

Web/App Development: React, React Native, Node.js, Express.js, tailwind CSS, HTML

Database: MySQL, MongoDB, Firebase

EXPERIENCE AND INTERNSHIPS

Frontend Developer Intern
HubSpire | July 2024

- Developed and maintained web applications using React and React Native, contributing to both front-end development and mobile app solutions.
- Implemented state management solutions using Redux, enhancing application performance and user experience.

Intern
Intel | May 2023 - July 2023

- Worked on a Python machine learning project focused on convolutional neural networks (CNN) and computer vision.
- Developed and implemented algorithms for image recognition and processing.

ACHIEVEMENTS

- **Hackathon Winner** at Hacks'US 2023 hosted by Rajagiri School of Engineering and Technology, Ernakulam
- **Hackathon Winner** at HackAthena 2024 hosted by Jyothi Engineering College, Thrissur
- **Hackathon 1st Runner Up** at HackBells 2024 hosted by Sree Buddha College of Engineering, Alappuzha
- **Top 5 team** at CODE reCET Hackathon 2024 hosted by College of Engineering, Trivandrum
- **Passed with Distinction** in CBSE 12th and 10th board examinations

LEADERSHIP

- **Technical Head** at AI Club of Saintgits College of Engineering, Kottayam *(2023 - present)*
- **Media Manager** at Open Source Club of Saintgits College of Engineering, Kottayam *(2023 - present)*
- **Core Committe Member** at Coding Club of Saintgits College of Engineering, Kottayam *(2023 - present)*
- **Asst. Web Developer** at IEDC Saintgits College of Engineering, Kottayam *(2022 - 23)*
- **Associative Vice President** at PMI AF of Saintgits College of Engineering, Kottayam *(2022 - 23)*

PROJECTS

PDF Chat Application

- Built a real-time pdf chat application using Google Gemini and designed a responsive UI with Python Streamlit.
- Application handles questions and queries asked on various topic in the pdf document.

Expense Tracker Application

- Developed and designed a full-stack expense tracker application using React, Node.js,Express.js and MongoDB
- Implemented features including adding and deleting expenses, budget planning, category-wise sorting, user authentication and chart visualization.

E-commerce Platform

- Developed and designed a full-stack e-commerce platform using React, Node.js,Express.js and MongoDB
- Implemented features including product listing, shopping cart, user authentication and user review
